Affordable,

high resolution, wide

format color scanner

Sharpen your ideas

The Océ CS4236 is an affordable, high resolution color scanner ideal for small CAD studios, GIS environments and decentral scanning stations. This easy-to-use device is the first Océ scanner in its price range with an optical resolution of 1200 × 1200 dpi. So you can effortlessly capture the finest details in drawings and documents.

Perfect detail

Architects, engineers and designers in small offices and organizations can now have the same high resolution scanning capabilities as their colleagues in larger companies. The competitively priced Océ CS4236 has an optical resolution of 1200 × 1200 dpi. So you can capture, share and archive drawings and documents in perfect detail.

Simplicity itself

Making high resolution scans is simplicity itself with the Océ CS4236. It comes with easy-to-use software that allows you to make accurate scans in no time. The machine scans documents face-up, so you can see exactly what you are doing. You can scan and copy in full color or monochrome. And you can scan to file in a multitude of formats: PDF, TIFF, JPEG and many more.

Boost your capability

The Océ CS4236 comes with Océ Copy Easy. This no-fuss software enables you to upgrade your current Océ printer to a hybrid system. The result is a fully integrated, flexible solution ideal for
- Small CAD studios and GIS environments
- Decentral scanning stations
- Upgrading an Océ wide format system or third-party printer to a copier
- Streamlined job submission to reprographers

Save energy

The Océ CS4236 is highly energy-efficient. It uses 5 W per day in sleep mode making it Energy Star-compliant. The scanner also complies with the RoHS directive, meaning it contains no lead. Océ CS scanners are designed and manufactured in Europe in accordance with the ISO 14001 environmental management standard.

Specifications

Scan width	36 inch / 914 mm	Installation	User installable, installation guides, CDs and tools included
Original width	46 inch / 1168 mm		
Optical resolution	1200 × 1200 dpi	Warm-up time	n.a.
Interpolated resolution	9600 dpi	Boot-up time	7 sec.
Technology	CIS (Contact Image Sensor)	Weight excl. stand	30 kg
Original handling	Face up	Power requirements	110V/220V/240V/50/50 HZ
Original release	Front and back	Power operational	44 W
Scan speed Color*	1 ips – 1.5 m/min	Power, sleep mode	<= 3 W (energy star compliant)
Monochrome*	7.5 m/min	Dimensions excl. stand	1525 × 480 × 161 mm
Scan modes	Color, grayscale and 1 bit monochrome	Awards	ISO 14001, 2004 Environmental Management System
Stand	Included	Certifications	Energy Star, RoHS, UL ,CE, Gost-R, CCC and VCCi
Supported operating system	Windows XP, 2003 server and Windows Vista 32 bits	Produced	European Union
		Options	Océ Color Copy
Standard interface	Double speed USB2 with xDTR		
Standard accessory	Océ CS4236 scanner		
	Océ CS4236 scanner stand		
	Original receiving basket		
	Océ Copy Easy		
	USB2 cable		
	Power cable		
	Maintenance kit and CD		

400 dpi turbo mode

Océ Copy Easy color and monochrome copying and scan to file software

Copy features

Direct ready for copying
Automatic scanner detection
No closed loop calibration required
Scanners, media and printer precalibrated
Color and monochrome output, copy & scan to file

Green button color copying
Automatic printer media type detection
Automatic printer media width detection
Standard copy profiles for 16 Océ media
Standard image enhancement for 5 original types

Original size detection
Automatic or manual

Instant copying
Printing while scanning (set original size manually)

Preview
Preview original
Preview effect of original enhancement
Preview position on roll media
Zoom in/out

Copy area of interest
Select copy area with mouse

Simple nesting
Nest multiple copies of same scan

Deskew original
Automatic deskew original

Original rewind
Configurable

Scanning features

Green button color and monochrome scanning
Standard image enhancement for 5 original types
Automatic file name increment

Supported file formats
BMP, EPS, GIF, HPR, HP-RTL, IFF, JPEG, J2K
JPEG2000, PCX, PDF, PDF/A, PNG, PPM, TGA, TIFF,
6RN

General

Operating systems
Windows 2000, Windows XP, Vista 32-bit

Minimum platform
Intel Pentium IV 2.66 GHz/Atlon, 60 GB hard drive, 1 Gb
RAM, Network board 100BaseT

Zooming
1–1000%

Supported printers
Océ TDS300, Océ TDS320, Océ TDS400, Océ TDS450,
Océ TCS300, Océ TCS400, Océ TCS500,
Océ CS2xxx series, Océ CS21xx series, Océ CS22xx series,
Océ ColorWave™ 600

Beyond the Ordinary

Environmental Certifications

Building a sustainable business has always been one of our core business principles. We do this by developing products and services that add value to the document processes of our customers, while minimizing environmental impact. And we conduct our business activities in a socially responsible manner aimed at preventing health, safety and environmental risks.

dpi Vision Award 2006

Océ helps the people who make our world. Companies everywhere use Océ technical documentation systems in manufacturing, architecture, engineering and construction. Each week, high speed Océ printing systems produce millions of transaction documents such as bank statements and utility bills. And in offices around the world, people use Océ professional document systems to keep the wheels of business and government turning. Océ is also at work in publishing on demand, newspaper production, document management outsourcing and wide format colour for spectacular display graphics. It all helps our professional customers go 'Beyond the Ordinary' in printing and document management.
