Consider more convenient to use, OpticSlim 2600 provides an easy installation way, even more offers 5 one-touch buttons to scan directly what purpose you want.

Plustek OpticSlim 2600

features

- **High-quality scanning**

  Capable of 1200 dpi optical resolution and 48-bit output colour, the OpticSlim 2600 always makes your work sharp and vivid.
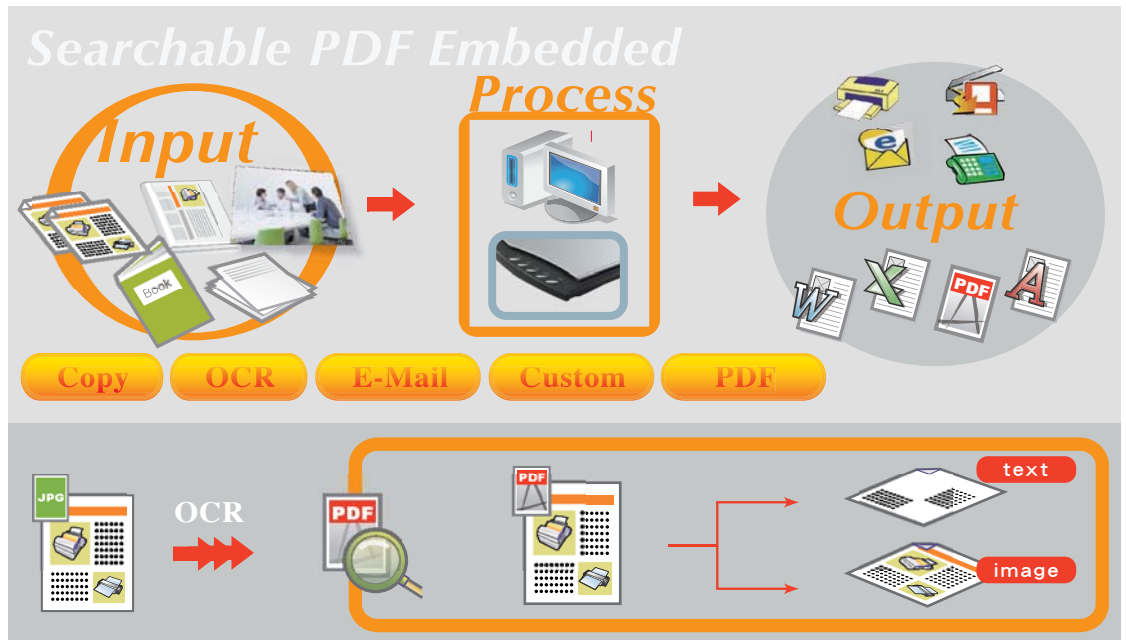

- **Smart and stylish design**

  The scanner is only 3.3 cm in height and 1.4 kg (3.1lb) in weight, it can easily packed with a laptop in your briefcase. OpticSlim 2600 comes with 5 one-touch actions buttons- Copy, OCR, E-Mail, Custom and PDF. You can even configure the Custom button's function to your needs, by using the bundled Action Manager software.

- **Special designed hinges with Lid**

  A feature which is ideal for thicker books and 3D object scanning.

- **Searchable PDF Embedded**

  Searchable PDF is a PDF Image document with the addition of a text layer beneath the image. This approach retains the look of the original page while enabling text search ability. The text layer is created by an Optical Character Recognition (OCR) application which is suitable for searching function with Adobe Reader or Google Desktop Search to lead you quickly find any related information that you suppose to have.

Five One-Touch Quick Action Buttons incorporate your frequent applications to increase your daily work productivity.
