## imagePROGRAF MFP SOLUTION

# Large Format Multifunctional Solution 

The imagePROGRAF MFP M40
Solution is a powerful Scan-to-Copy / File / E-mail / Cloud and print solution that combines speed and precision with exceptional versatility.

iPF770 MFP

iPF830 MFP

iPF850 MFP

iPF780 MFP

iPF840 MFP

Key features:

- Complete Scan-to-Copy / File / E-mail / Cloud Connectivity and Print Solution
- Customise your solution and choose from 6 configurations from 36 " to 44 "
- Scan at up to speeds of 13 inches per second for monochrome documents
- SingleSensor CIS Scanning with Bi-directional LED light system for incredible line definition and accuracy
- True 1,200 dpi optical resolution delivers exceptionally sharp, clean images
- Large, easy-to-use, 22" touch screen interface with dynamic preview
- Built for the way you work, Scan to PDF, JPEG and TIFF formats as standard
- $2,400 \times 1,200$ dpi printing with 4 pl ink droplets for precise fine lines and detail
- SmartWorks MFP Software enables batch scanning and custom user presets for ultimate efficiency
- This complete workflow solution includes large format scanner, printer, reprographic stand, SmartWorks MFP Software and large touch screen monitor
- Optional ‘SmartWorks MFP PLUS’ software supports PDF/A, Multi-page PDF on the fly, Open \& Print non SmartWorks PDF file, Colour Adjustment (RGB) in Preview and Auto crop borders

Canon recommends you use Canon Media for the best results. Please check media (paper)
compatibility list to see which variety of paper/media is recommended.
Genuine Canon ink cartridges are developed together with Canon large format printers as an importan part of the large format printer printing system. Advanced technologies achieved by our research and development activities are incorporated into these ink cartridges. For optimum performance of Canon large format printers, Canon recommends use of genuine Canon ink cartridges.
