DESIGN

Compact and space saving, these high-

speed A4 devices are ideal for busy

offices. Productive multifunctional

The image shown above is the imageRUNNER 1750i

Productivity and efficiency.

- Easy-to-use tiltable touch-screen display
- Fast print speeds up to 50ppm
- Send in colour to a network folder or email in a variety of formats
- Fewer interruptions with up to 2,300 sheet paper capacity
- Optional compact staple finisher
- Simple, hassle-free integration Network ready, PCL and PostScript Support.
- Compatibility with Canon's e-Maintenance service offers remote diagnostics, automated meter readings and consumables monitoring

Environmental.

- Energy Star certified and low TEC rating
- Consumes as little as 1 watt in sleep mode
- Automatic double-sided output

Cost Effective.

- Low cost of ownership
- Enhanced productivity and class-leading energy efficiency maximises value
- Compatibility with uniFLOW solution offers Cost Centre selection and reporting for cost control and monitoring
- Accurate billing through e-Maintenance

Security.

- Secure Print* keeps documents confidential during printing
- Department ID secures access to the device
- uniFLOW compatibility offers the flexibility and convenience of My Print Anywhere secure release with job selection
 - * RAM-based secure print for up to 100 jobs
